**CONSEQUENTIAL LOSS**

Adult refers to Riders 18 years old and older.

Professional means a Rider who no longer is a Junior but does accept sponsorship or monetary gains from his/her riding.

Protections under ShowPlus are provided on a weekly basis. A rider's protections are contingent upon riding a horse registered to compete in at least one class that week and last for the duration of the rider's competition(s) that week.

No Rider protections are available unless ShowPlus benefits are available for the horse. See Benefit Schedule for Horses.

Other terms and conditions apply.

|                                 |                |
|---------------------------------|----------------|
| <b>URGENT VETERINARIAN CARE</b> | <b>\$3,500</b> |
|---------------------------------|----------------|

Maximum urgent veterinarian care for each horse, with a scale based on the type of injury or illness.

| <b>COVERED CONDITIONS</b>                                          | <b>MAXIMUM BENEFIT REIMBURSEMENT</b> |
|--------------------------------------------------------------------|--------------------------------------|
| Colic – Non-surgical                                               | \$750                                |
| Colic – Surgical                                                   | \$3,500                              |
| Leg fractures                                                      | \$3,500                              |
| Upper respiratory infections or pneumonia                          | \$500                                |
| Deep lacerations and puncture wounds                               | \$1,000                              |
| Heat stroke                                                        | \$500                                |
| Acute onset laminitis                                              | \$1,000                              |
| Enteritis – colitis                                                | \$1,500                              |
| Bowed tendon or suspensory tears                                   | \$600                                |
| Deep eye injuries                                                  | \$1,000                              |
| ^Bone scan, MRI & CT scan: pre approval required                   |                                      |
| ^Diagnostics that are a medically necessary part of immediate care |                                      |
| <b>CONSEQUENTIAL LOSS</b>                                          | <b>\$2,500</b>                       |

Protections are weekly & dependent upon being registered to compete in at least one class. Protections expire at the end of each week for horses stabled on-site. For horses stabled off-site: 1) protections are triggered at 12:01 AM on day of class and expire at 11:59PM after the horse finishes competing that day and are reinstated for each day the horse competes in the same week; or 2) for FEI jog, coverage is available 2 hours before jog is scheduled to begin and only while animal is on the showgrounds.

If the horse is stabled onsite and registered for an FEI class, benefits are available the day of the required jog.

\*If it's determined that the issue was pre-existing or chronic, benefits are limited to 30%.

**No benefits:**

- \*for any animal that is younger than 4 years old and older than 16 years old unless the event is sanctioned by the FEI.
- \*if any animal both scheduled to, and competing at least once for 4 consecutive weeks; coverage reinstated after a 7 day rest.
- \*at all afforded on Mondays, or "dark days".
- \*for accidents or injuries in paddock or due to turnout.
- \*as the result of failure to provide appropriate care or neglect of any animal.
- \*if the incident is not reported per the instructions on the website.
- \*for treatments normally associated with the maintenance of a healthy animal.
- \*for pre-existing or chronic conditions other than for bone scans, MRI, or CT Scan, which are subject to limitations.
- \*for experimental or voluntary surgery or procedure of any type.
- \*for any medical treatment or disease control measures associated with any communicable/contagious disease outbreak.
- \*for any animal that is the subject of a late (same day) registration.

Other terms and conditions apply.
