• Lasting 91 days or more	\$50,000 to include payments already made

- Adult refers to Riders 18 years old and older.
- Professional means a Rider who no longer is a Junior but does accept sponsorship or monetary gains from their riding.

Protections under Show+ are provided on a weekly basis. A rider's protections are contingent upon riding a horse registered to compete in at least one class that week and last for the duration of the rider's competition(s) that week.

No benefits:

- *if any animal both scheduled to, and competing at least once for 4 consecutive weeks; coverage reinstated after a 7 day rest.
- *at all afforded on Mondays, or "dark days".
- *for accidents or injuries in paddock or due to turnout.
- *as the result of failure to provide appropriate care or neglect of any animal.
- *if the incident is not reported per the instructions on the website.
- *for treatments normally associated with the maintenance of a healthy animal.
- *for pre-existing or chronic conditions other than for bone scans, MRI, or CT Scan, which are subject to limitations.
- *for elective or voluntary surgery or procedure of any type.
- *for any medical treatment or disease control measures associated with any communicable/contagious disease outbreak.
- *for any animal that is younger than 4 years old and older than 16 year old unless the event is sanctioned by the FEI.
- *for any animal that is the subject of a late (same day) registration.

Other terms and conditions apply.

SCHEDULE OF BENEFITS FOR HORSES

Mortality

\$50,000.00

Maximum potential mortality payment, supplemental to any existing mortality policy, but not to exceed the actual amount of the loss.

Urgent Veterinarian Care

\$7,500.00

Maximum urgent veterinarian care for each horse, with a scale based on the type of injury, that is reimbursed at reasonable and customary veterinary fees.

Covered Conditions	Maximum Benefit Reimbursement
Colic – Non-surgical	\$750.00
Colic – Surgical	\$6,000.00
Leg fractures	\$7,000.00
Upper respiratory infections or pneumonia	\$500.00
Deep lacerations and puncture wounds	\$1,000.00
Heat stroke	\$700.00
Acute onset laminitis	\$1,000.00
Bowed tendon or suspensory tears	\$600.00
Deep eye injuries	\$1,000.00
*Bone scan, MRI & CT scan: preapproval required	
*Diagnostics that are a medically necessary part of immediate care	
Consequential Loss	\$2,500.00

*Max. reimbursement of 30% for Chronic or Pre-existing Conditions.

• Protections are weekly & dependent upon being registered to compete in at least one class. Protections expire at the end of each week for horses stabled on-site. For horses stabled off-site, protections are triggered at midnight before the first class and expire at midnight after the horse finishes competing that day and are reinstated for each day the horse competes in the same week. For horses being trailered in, protections are triggered 2 hours before and end 2 hours post class event, and only when horse is on the show grounds.

• Pre-existing conditions, experimental, and ordinary wear & tear treatment are some of the treatments not covered.
