Junior refers to Riders 17 years old and younger.

Protections under ShowPlus are provided on a weekly basis. A rider's protections are contingent upon riding a horse registered to compete in at least one class that week and last for the duration of the rider's competition(s) that week.

No benefits:

- *if any animal both scheduled to, and competing at least once for 4 consecutive weeks; coverage reinstated after a 7 day rest.
- *at all afforded on Mondays, or "dark days".
- *for accidents or injuries in paddock or due to turnout.
- *as the result of failure to provide appropriate care or neglect of any animal.
- *if the incident is not reported per the instructions on the website.
- *for treatments normally associated with the maintenance of a healthy animal.
- *for pre-existing or chronic conditions other than for bone scans, MRI, or CT Scan, which are subject to limitations.
- *for elective or voluntary surgery or procedure of any type.
- *for any medical treatment or disease control measures associated with any communicable/contagious disease outbreak.
- *for any animal that is the subject of a late (same day) re-istration.
- *for any animal that is the subject of a late (same day) re-istration.

Other terms and conditions apply.

*Bone scan, MRI & CT scan: pre approval required

*Diagnostics that are a medically necessary part of immediate care

CONSEQUENTIAL LOSS

\$2,500

EXTRA EXPENSE

\$2,500

Protections are weekly & dependent upon being registered to compete in at least one class. Protections expire at the end of each week for horses stabled on-site. For horses stabled off-site, protections are triggered at midnight before the first class and expire at midnight after the horse finishes competing that day and are reinstated for each day the horse competes in the same week. For horses being trailered in, protections are triggered 2 hours before and end 2 hours post class event, and only when horse is on the show grounds.

Other terms and conditions apply.
